

## 02/04/15 - 5.11 Boots - A world wide number one for any thing tactical

### 5.11 Boots

5.11 boots are a favourite among all public service personal. 5.11 have made many boots for all the types of jobs they do. If you are a police officer they have a boot for your needs, if you are a Paramedic they have a boot for you and even if you are a front line infantry soldier they have a boot for you. All of 5.11 boots are tested in they jobs they are designed to be in use for. This fantastic range of footwear has a wide range of boots to suit your needs.

### 5.11 Boots Specifications

5.11 Boots use a wide range of Specs for there boots to meet a wide range of tactical needs. If you need a waterproof boot they use Sympatex®, Which is a really breathable lining and also stops blood pathogens. If you need a side zip boot they make a wide range of boots that fit. If you need a boot with a toe cap they have a boot with the right protection. They call it the 5.11 Kicktoe. What ever you need you can guarantee that 5.11 have a boot that has the right specs for you and your job.

### 5.11 boots testing

All 5.11 boots are tested by all emergency services personal and U.S Navy seals teams. This is done so 5.11 boots are the perfect tactical boots for you. 5.11 boots that are not up to the rigorous tests are either changed or redesigned to meet the high standards that 5.11 boots have set worldwide.

### **5.11 XPRT Tactical police boot**

This 5.11 XPRT Tactical Police Boot is a great police boot with a wide range of specs for the urban police officer. This USA-full grain leather boot is a Sympatex water proof boot which does not allow any Water or blood in to the boot at all. This amazing police boot is designed to be fast, flexible and comfortable. 5.11 have done this by adding in there 5.11 shock mitigation system.

The 5.11 XPRT Tactical Police boots have been designed with all tactical situations in mind. They have a 5.11 Kick-toe. This is a composite toe. This is in the boots to protect your toes while having you are on duty. This 5.11 police boot also has a talon stabilizer, which is 5.11 own ankle support system. It wraps the ankle making the boot much more supportive to your feet.

5.11 have also put a quick lace system in theses fantastic police boots. They call it the 5.11 cinch lacing system. which is great for taking the boots off quickly after a really long shift or putting them on in a emergency. These boots have a guarantee so you can be confident that these boots will not let you down.

## **5.11 boots ? where to purchase them**

5.11 is an American brand and sometimes 5.11 can be hard to get hold of in the U.K but there is a few suppliers of this great brand, in the U.K. 5.11 Boots are a really good boot and if you want to pay that little extra I advise you at least try a pair of 5.11 boots once. I advise you go to [Patrolstore](#) to get your [5.11 boots](#) and gear.
