

06/09/15 - 511 women's ATAC 8 inch side zip boot - Designed for the female officer

## **511 women's ATAC 8 inch side zip boot ? Intro**

The 511 women's ATAC 8 inch side zip boot is a boot that is designed for women. 511 women's boots are fantastic if you are a female officer. This boot was designed only for women in mind. In this post I am going to review this boot as one of my female colleagues has given me feedback on the boot she says is one of the best boots she has ever worn whilst on duty.

## **511 women's ATAC 8 inch side zip boot ? The Look**

The 511 women's ATACT 8 inch SZ boot has a very good look for a women's boot. It has a look that will suit a women's foot. It is a slim boot that is mainly made of full grain leather. The top part of the boot is made with tough, durable nylon. The side zip on the boot does not look out of place and bulky as well. I think for a women's boot the look is really appealing for a women.

### 511 women's ATAC 8 inch side zip boot **511 women's ATAC 8 inch side zip boot ? The specification**

As well as having the look this boot has the specification to match. The 5.11 women's ATAC side zip boot is designed to have fit a women's foot bed. This great as this is more comfortable for a women and less likely to cause an injury on duty. The boot is made from full grain leather. this make the boot have a longer life time and easier to maintain and clean. We know this is important as every one needs there boots to last. The nylon part of the 511 women's ATAC 8 inch side zip boot is made from the tough nylon so you will not have to worry about that getting damaged or showing any signs of wear for a long time. The side zip on these 5.11 women's boots is a YKK® side zip. That means the zip will not let you down while you are on duty. This is a major factor when choosing side zip boots.

The sole on the 511 women's ATAC 8 inch side zip boot is injected in to the boot. These means the boots have not been glued together. The sole and the boot are like one. This means you will never have to worry about the sole coming off the boot. This adds to the high quality of these boots. Inside the boots have a open cell foam cushioning. This is designed to be all about comfort for the user and it does not disappoint.

511 women's ATAC 8 inch side zip boot ? Where can I get a pair?

511 is mainly in the U.S and can be hard to get over here in the U.K to a degree. 5.11 Tactical have a few elite suppliers in the U.K but they may not stock this boot. After doing a quick search the only place I could find the boot was Patrolstore. They stock the boot in all sizes and you can try before you buy with them. To get this 511 women's ATAC 8 inch side zip boot I advise you go to them.
